MATH 1342
Student Course Document – Revised Spring 2012

1. **Course Title:** Statistics

2. **Prerequisite:** College Algebra (Math 1314)  
Corequisite: Engl 0305 or 0316 (developmental reading) or placement by testing  
Corequisite: Engl 0307 or 0326 (developmental writing) or placement by testing

3. **Credit:** Three (3) Semester Hours

4. **Materials Needed:**
   4.2 Calculator: A calculator that computes the mean ($\bar{x}$ or $\mu$) and standard deviation ($s$ or $\sigma$) of a set of numbers is recommended.

5. **Purpose:**
To provide the student with the needed background in understanding how hypotheses are tested in the social, biological, and physical sciences.

6. **General Course Objectives:**
   6.1 To introduce the student to the concepts of population, sample and frequency distribution
   6.2 To develop skill in computing arithmetic mean, median and mode
   6.3 To introduce the student to measures of dispersion such as variance and the standard deviation
   6.4 To introduce the student to the concepts of sample space, events and the meaning of probability
   6.5 To introduce the student to probability distributions such as the binomial and normal distribution
   6.6 To develop skill in working with sampling distributions, random samples and random number tables
   6.7 To develop skill in estimation, confidence intervals and tests of hypotheses
   6.8 To introduce the student to the concepts of linear regression and linear correlation

7. **General Course Outline:**
Textbook Sections: 1.1 through 7.5, 8.1, 8.4, 9.1, and 9.2.  Omit sections 1.3 and 4.3.

8. **MyLoneStar:**
MyLoneStar gives students, faculty, and staff access to important academic information. It allows a student to register, search for courses, obtain financial aid information, pay tuition and fees, and view course grades. From [www.lonestar.edu](http://www.lonestar.edu), click on MyLoneStar at the top right corner. Follow the instructions for securing your user name and password under the Self-Service Tools. Please contact the helpdesk at 1-866-614-5014 or send an email to [ots@lonestar.edu](mailto:ots@lonestar.edu) for further assistance.
9. **Withdrawal Policy/Student Drop Limit:**

Students who enrolled in Texas public institutions of higher education as first-time college students during the Fall 2007 term or later are subject to section 51.907 of the Texas Education Code, which states that an institution of higher education may not permit a student to drop (withdraw with a grade of “W”) from more than six courses. This six-course limit includes courses that a transfer student has previously dropped at other Texas public institutions of higher education if they fall under the law.

Students should be sure they fully understand this drop limit before they drop a course. Please visit the admissions office or counseling/advising center for additional information and assistance.

10. **Academic Integrity:**

The Lone Star College System upholds the core values of learning: honesty, respect, fairness, and accountability. The system promotes the importance of personal and academic honesty. The system embraces the belief that all learners—students, faculty, staff, and administrators—will act with integrity and honesty and must produce their own work and give appropriate credit to the work of others. Fabrication of sources, cheating, or unauthorized collaboration is not permitted on any work submitted within the system.

The consequences for academic dishonesty are determined by the professor and academic dean, or the professor and chief student services officer and can include but are not limited to:

1. Having additional class requirements imposed,
2. Receiving a grade of zero or “F” for an exam or assignment,
3. Receiving a grade of “F” for the course,
4. Being withdrawn from the course or program,
5. Being expelled from the college system.

11. **Division Counselor:**

Rhonda Cannon, Counselor for Math and Natural Sciences, is available in Winship 115G to assist you in meeting your academic, career, and personal goals. Confidential counseling services are available by appointment to help you overcome academic challenges, make a career choice, plan your transfer, and to gain self-understanding. To schedule an appointment call 281-618-5480 or email rhonda.cannon@lonestar.edu or stop by Winship 115G.

* It is the responsibility of the student to drop a class by “W” day if he/she desires.

* Students with disabilities, who wish to request accommodations in this class, must notify the Disability Services Office as soon as possible so that the appropriate arrangements may be made. Students requesting accommodations must provide documentation of his/her disability to a Disability Services counselor. For more information, call or visit the Disability Services Office at SB 110, (281) 618-5481.
